

Dear Parents and Guardians,

We are off to a good start for 2018. Here are a few items I want to make you aware of:

2018-19 COURSE SELECTION –

Course selection for the 2018-19 school year begins next week on Thursday, February 1st, through your student's English classes. Please take some time to talk to your student about their course selections for next year. You can find information about courses, class fees, prerequisites, etc. on the RRHS website under Program of Studies. Students will be able to change course requests through Friday, March 2; then, after that date all changes must go through the student's counselor. Please email or talk to a counselor if you have additional questions about this process. Here is a convenient link to our 18-19 Program of Study: [New Program of Study 2018-2019](#)

SAFETY DRILLS –

We are continuing to be proactive regarding safety and will be practicing our lock down drills every month until school is out. Our goal is to keep all students and staff safe through refining our procedures and regular practices. In addition to improving our drill procedures, we are implement training for our security team and for our entire staff. Our Safety Committee meets regularly, and if you should have suggestions, please feel free to email our head Security, Larry Tafoya, or myself.

CALENDARS –

Did you know our school calendar and athletic calendar are located on our website? This can help you with your planning, so check these calendars out. Here is the link: [Quick Link to Calendars](#)

Thank you,
Sherri Carver, Principal RRHS
