

Dear RRHS Families:

Great news! While our original deadline for ordering yearbooks online was April 1, our yearbook company has extended the deadline until May 8 (or while supplies last)! While we will likely be selling yearbooks on campus as well, ordering online ensures your student will receive a copy in the event we sell out.

You may not think your student wants a yearbook now, but imagine, years from now, when they tell their own children about this crazy, one-of-a kind year. They will definitely want to pull this yearbook, this HISTORY book, off the shelf to share. Our student staff worked hard to ensure that all the events from this absolutely historic year are preserved in the 2021 yearbook.

To order a yearbook, go to www.yearbookordercenter.com and enter school code 6797.

Do NOT miss out!

If you have any questions, please feel free to email me at jenna.jones@rrps.net.

Thank you for supporting yearbook,

Mrs. Jenna Jones, M.Ed.
